List of our standard cutters

| Cutter diameter in mm | Maximum depth of immersion |
|-----------------------|----------------------------|
| 0,4mm* | 1,0mm |
| 0,6mm | 2,5mm |
| 0,8mm | 3,0mm |
| 1,0mm | 4,0mm |
| 1,5mm | 5,0mm |
| 2,0mm | 6,0mm |
| 3,0mm** | 10,0mm |

* Only conditionally applicable, since the sensitivity of the milling cutter increases the machining times considerably.

** If you require greater immersion depths, please contact us.
